

2022 Club Championship Regulations

1.0 Eligibility

1. The Club Championship is open to all bona fide members of the Saltire Rally Club Limited (SRC).
2. Points will only be awarded to bona fide members of the Saltire Rally Club Limited
3. The Junior Championship is open to all SRC members aged 18 years or under at the start of the first championship event in any one year.

2.0 Entries for Events

Event regulations and entry forms will be distributed by email to all members and will also be available on the SRC website and Facebook page.

3.0 Number of Events to Count

The number of events that count towards a competitor's final score is one less than the total number of events run.

For example, if 13 events run in a championship, only the best 12 scores will count.

4.0 Points System

A straight 10, 9, 8,.... points system will be used based on overall positions. If the event has a multiple permit the results from all permits will be merged.

All starters in an event will score 1 point. This is in addition to any score from their finishing position.

e.g. The winner will score $10 + 1 = 11$ points.

Events with different level of instruction, e.g. Expert, Non Expert, Novice etc. will be merged and taken as a single class.

In any event where non members are eligible to compete, the scoring will only take account of members and results of non-members will be ignored.

Named Event Officials, who by virtue of their role are unable to compete as well as officiate, plus Opening, Closing and Strip-Down Crews will score 10 points for the first event on which they officiate, 5 for the second event and 1 point thereafter.

Members will score 1 point for each event on which they marshal.

For the Club Championship points will be awarded to all eligible competitors.

For the Junior Championship points will be awarded by considering the results of the Junior competitors only. i.e The highest placed Junior will score 11, the second highest 10, and so on.

5.0 Best Performance only to count

Where a competitor enters more than once in any event, then only their best performance in that event shall count for points. Their other entries shall still be included in the results and in the calculation of other competitors' points.

If a competitor is entered once as a passenger and once as a driver in the same event (e.g. PCA) then both scores shall count but these will be treated as separate scores so only the best 12 scores from whatever source will be counted (or whatever number of counting events is appropriate for the number of events run).

6.0 Ties in Events

In the event of a tie for a place on an event, each competitor shall receive the points for that place. Event tie-breakers will not be used.

7.0 Ties in Championship

In the event of a tie in any section for an award, the award shall be given to the competitor with the greatest total score without dropping scores. If there is still a tie the award shall be given to the competitor gaining the greater number of first placings, then the number of second and subsequent placings shall be considered. To be eligible for any championship competitors must obtain 2 or more scores in that championship. Any disputes will be resolved at the discretion of the committee.
